## Professional Summary

Cyber Security Specialist with 4 years of hands-on experience in network defense, threat analysis, and cloud security. Skilled in identifying vulnerabilities, performing penetration tests, and implementing SIEM solutions. Holds a Master's degree in Computer Science with a focus on Information Security. Passionate about protecting critical infrastructures and leading security automation initiatives.

---

## Technical Skills

- **Security Tools:** Wireshark, Metasploit, Burp Suite, Nessus, Splunk, Kali Linux

- **Cloud Security:** AWS IAM, GuardDuty, Azure Security Center

- **Programming & Scripting:** Python, Bash, PowerShell, C++

- **Network & Systems:** TCP/IP, Firewalls, IDS/IPS, VPN, Linux Administration

- **Frameworks & Compliance:** ISO 27001, NIST, OWASP Top 10, GDPR

---

## Professional Experience

**Cyber Security Analyst**
**CyberTrust Solutions Ltd**, Tel Aviv, Israel
📅 *Aug 2021 – Present*

- Performed real-time threat monitoring and incident response for enterprise clients using Splunk and Sentinel.

- Led penetration testing efforts that uncovered critical vulnerabilities in client web applications.

- Deployed and managed endpoint protection and vulnerability management systems.

- Developed automated scripts in Python to streamline log analysis and threat correlation.

- Collaborated with DevOps teams to implement secure CI/CD pipelines using AWS Security Hub.

**Information Security Engineer**
**DataShield Technologies**, Herzliya, Israel
📅 *Jul 2019 – Jul 2021*

- Implemented SIEM solutions and configured alerts for suspicious activities across networks.

- Conducted regular risk assessments and prepared reports for management and compliance audits.

- Trained internal IT staff on secure coding practices and phishing awareness.

- Assisted in forensics analysis and post-incident recovery planning.

---

## Education

**M.Sc. in Computer Science (Information Security)**
Tel Aviv University, Israel — *Graduated 2019*

**B.Sc. in Computer Science**
Ben-Gurion University of the Negev, Israel — *Graduated 2017*

---

## Certifications

- Certified Ethical Hacker (CEH)

- CompTIA Security+

- AWS Certified Security – Specialty

---

## Languages

- English — Fluent

- Hebrew — Native

---

## Interests

Penetration testing, Capture the Flag (CTF) competitions, malware analysis, AI in cybersecurity.
